

Unit 7: Connecting Places and People

7.1 Connecting Places – Travel

1. Solve the fun crossword! Use the words given below.

CAR PLANE SHIP SCHOOLBUS BICYCLE TRAIN
ELICOPTER ROCKET

The crossword puzzle grid is set against a light yellow background with rounded corners. It consists of a central grid of white squares with purple borders. Eight numbered clues are placed around the grid, each with a corresponding illustration of a vehicle:

- Clue 1:** A vertical 10-letter word on the right side of the grid. Illustration: A white rocket with orange flames, labeled with a purple circle containing the number 3.
- Clue 2:** A vertical 3-letter word at the top of the grid. Illustration: A red and blue train engine pulling two colorful passenger cars, labeled with a purple circle containing the number 7.
- Clue 3:** A horizontal 5-letter word in the second row from the top. Illustration: A blue and yellow bicycle, labeled with a purple circle containing the number 4.
- Clue 4:** A horizontal 6-letter word in the fourth row from the top. Illustration: A red car, labeled with a purple circle containing the number 5.
- Clue 5:** A horizontal 10-letter word in the sixth row from the top. Illustration: A yellow school bus with "SCHOOL BUS" written on top, labeled with a purple circle containing the number 2.
- Clue 6:** A horizontal 6-letter word in the eighth row from the top. Illustration: A blue and yellow helicopter, labeled with a purple circle containing the number 6.
- Clue 7:** A horizontal 4-letter word in the tenth row from the top. Illustration: A white and blue airplane, labeled with a purple circle containing the number 1.
- Clue 8:** A horizontal 4-letter word in the twelfth row from the top. Illustration: A white and red steamship, labeled with a purple circle containing the number 8.
